

Grandparents LUNCHEON at VMA!

Villa Maria Academy would like to invite the grandparents of all Villa students to join us for a luncheon. We embrace families and know the important roles our grandparents play in the lives of our students. To celebrate, we will be hosting a **GRANDPARENT LUNCHEON on Wednesday, November 9, 2011** at Villa Maria Academy. This is a great way for students and grandparents to spend some time together, and for students to showcase VMA and all the terrific things that are happening here!

We will need the grandparent's information in order to send out invitations. **Please return this form to the VMA Main Office OR email the information by Friday, September 30th.** We will be sending invitations for the luncheon in mid October. **Your grandparents will only receive an invitation if this form is returned or if you confirm via email (we will not be using information from last year's forms).** Feel free to share the date with your grandparents now so they can put it on their calendars!

If you have any questions, please contact Nancy Bird, Director of Constituent Relations, at 453-7737 ext. 2293 or nbird@villamaria.com. We look forward to meeting the Grandparents of VMA!
