

MENTORING

MENTORING

9997

Grade level: 12

Credit: 0.50

Do you like working with young children? Are you thinking about a career in education, psychology or social work? Do you like computers, art, math, reading or swimming? As a Mentor, you will work with students in Villa Maria Elementary School. This non-core course will be Pass/Fail. The teacher will grade you based on your creativity, willingness to help, and attendance. Many colleges look for this type of activity and commitment on a transcript when you apply for college admission. You must have your Guidance Counselor's approval for this class.

VMA INTERN

VMA INTERN

9998

Grade levels: 11-12

Credit: 0.50

Do you like helping others? Do you like a change in your normal school routine? Are you interested in helping guests when they visit our school? Are you interested in being a lab assistant in Chemistry or Biology? Are you an organized person? Do you want to learn more about the workings of a library? As an Intern you would be assigned to a specific department within the school in which you have an interest. This non-core course will be Pass/Fail. The person to whom you are assigned will grade you based on your creativity, willingness to help, and attendance. Many colleges look for this type of activity and commitment on a transcript when you apply for college admission. You must have your Guidance Counselor's approval for this class.
